FABIÁN FLORES

DIGITAL MARKETING, SEO, FRONT END, UX/UI

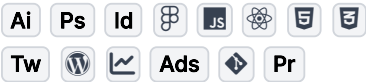

Audiovisual Communicator specializing in Multimedia UX Design, Web Development, and Digital Marketing. With a solid background as a Senior Designer, Media Planner, and Project Manager, I bring a holistic vision to every project. I am proficient in HTML, CSS, JS, React, WordPress, Adobe Suite, and Figma, integrating SEO/SEM strategies to ensure that digital products are not only aesthetically striking and user-centered but also achieve their business goals effectively.

CV
